	Novartis - 17 Nov 2016 Flashback: Just over one year ago, we launched Novartis Access in Kenya, as shown in the historic photos below. Fast forward: On November 29, 2016, we'll be gathering with key stakeholders at our headquarters in Basel to celebrate milestones and discuss what comes next. Take a walk down memory lane, then join us at the end of this month to learn more: http://bit.ly/25JsNus	16.9k	99	1	Link
	Timeline Photos - 12 Dec 2016 On November 29, health experts from around the world came together at our Basel HQ to discuss responses to the global threat of chronic disease in developing countries. Here's an overview of what was discussed: http://bit.ly/2gt2t2m	13.4k	24	19	Link
	Tailoring tactics to tackle chronic disease in low-income countries Novartis - 24 Feb 2016 This week in Kenya, our first batch of Novartis Access medicines is being delivered to combat noncommunicable diseases. But the story has just begun. Dr. Jonathan D. Quick, CEO of Management Sciences for Health, shares his views on what it will take to combat NCDs in the developing world: http://bit.ly/1QcScT1	4.7k	52	71	Link
	Timeline Photos - 28 Nov 2016 One year ago we launched Novartis Access in Kenya. Now we're looking to the future and plan to extend access to treatment for chronic diseases to people in approximately 30 countries over the coming years. Find out more here: http://bit.ly/2f3exGL	3.5k	6	25	Link
